# COPY/PRINT/SCAN CONTROLLER

## Benefits

- Integrated cable security system reduces down time for theft and vandalism
- One low cost device enables tracking of colour, duplex and different media size output from most modern multi function devices
- Patrons are granted secure access to unattended devices at your facility.
- The touch.ON helps eliminate proprietary debit cards and migrate to an online, accounts-based system that automatically tracks activity at all your printers and copiers in a single database.
- Pull Printing. Unlike direct printing or debit card solutions, users can pick up their print jobs wherever and whenever they choose -in a different building, after class, on their way home. The printing follows the user!
- No need to wait for product upgrades to arrive - with our remote access, your equipment can be updated easily and with no disruption to you.

## Firmware Integration

- 5.7" TFT touch screen
- 128 bit data encryption
- InterCard Connekt, set up and diagnostics utility
- Hard wire copier interface attaches to all major equipment brands to enable and count copier activity
- SNMP communications captures greater depth of billing data (Scans, e-mail job details etc)
- 24 bit colour display supports over 250,000 colours and 1 million finger touches
- Optional input reader devices include ABA track 1, 2 or 3 magnetic card, Mifare® (Classic, DESFire EV1), Legic® (Prime & Advant) , EM4102, Indala, Mifare®, Prox® and iClass® from HID and a variety of barcode symbologies

## Options

- Wall mounting
- Sturdy pedestal, includes neat cable routing system to prevent damage

## Network / System

- Integrated 2 port 10/100 Ethernet
- DHCP, DNS Server compliant
- Remote upgrade utility
- SSH capability
- Operating System: Linux

## Certification & Testing

- ISO 9001:2008
- CE, emissions and safety certified
- FCC, UL emissions and safety certified
- C-Tick, emissions and safety certified
- RoHS compliant
- WEEE compliant

## Harmonised System Code

- Tariff Code:  
847130-060, Data  
Collection Terminal

## Size & Weight

Size: 23cm x 15cm x  
12cm Weight: 1.5kg
